

South East Queensland Blokart Club Code of Conduct

This code of conduct has been developed and agreed with by the members of the South East Queensland Blokart Club (SEQBC) to promote Sportsmanship and Respect within the Club, to all blokart competitors, officials and the general public at Blokart events and while social sailing. This Code of Conduct is to be read in conjunction with both the Rules and Regulations and the Constitution of the Club.

Sportsmanship

All club members are to hold the club's reputation for sportsmanship as their number one priority.

As a SEQBC member you are expected to approach a competitor who has made an infringement of the racing rules to discuss the matter. Only after an amicable resolution cannot be agreed upon is a protest lodged.

A protest is not to be used in retaliation for a personal grievance against a fellow competitor.

It is a responsibility of all club members to assist blokarters of less experience and to be respectful and tolerant of their inexperience.

Respect

The management committee recognises that from time to time club members will have a disagreement; however members are to treat each other, competitors and the general public with respect.

Verbal abuse will not be tolerated and the perpetrator/s will, after receiving 3 written warnings about their inappropriate behaviour, face disciplinary action adjudicated by the management committee.

Physical, or a threat of physical abuse will not be tolerated and the immediate non-refundable cancellation of membership will apply. This cancellation is not negotiable.

Club Members' responsibility

The reporting of behaviour that contravenes the Code of Conduct is every member's responsibility and should be reported to a Club Committee Member as soon as possible so that the offending club member's alleged behaviour can be dealt with immediately to prevent the issue from escalating further.
